Forward-looking Statements:

The statements in this press release regarding the longer-term prospects of Venyu and its management team, the data protection, availability and recovery business, and the Company's backlog of investments and ability to close on those investments are "forward-looking statements." These forward-looking statements inherently involve certain risks and uncertainties, although they are based on the Company's current plans that are believed to be reasonable as of the date of this press release. Factors that may cause the Company's actual results to differ from these forward-looking statements include, among others, the duration and potential future effects of the current economic downturn on its portfolio companies and on the senior loan market and those factors listed under the caption "Risk Factors" of the Company's Form 10-K for the fiscal year ended March 31, 2010, as filed with the SEC on May 24, 2010 and our Quarterly Report on Form 10-Q for the quarter ended June 30, 2010, as filed with the SEC on August 2, 2010. The risk factors set forth in the Form 10-K and 10-Q under the caption "Risk Factors" are specifically incorporated by reference into this press release. The Company undertakes no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.
