Highlights for the Quarter: During the quarter ended September 30, 2017, the following significant events occurred:

• **Portfolio Activity:**

- Invested \$28.3 million through a combination of secured first lien debt and preferred equity into one new portfolio company; and
- Invested \$1.2 million in existing portfolio companies.

• **Distributions and Dividends:**

- Paid the following monthly cash distributions to common stockholders and dividends to preferred stockholders for each of July, August, and September 2017:
 - \$0.064 per common share, per month;
 - \$0.140625 per share, per month, for the Company's 6.75% Series B Cumulative Term Preferred Stock ("Series B Term Preferred Stock");
 - \$0.135417 per share, per month, for the Company's 6.50% Series C Cumulative Term Preferred Stock ("Series C Term Preferred Stock"); and
 - \$0.13020833 per share to holders of our 6.25% Series D Cumulative Term Preferred Stock ("Series D Term Preferred Stock").

Second Quarter Results: Net investment income for the quarters ended September 30, 2017 and June 30, 2017 was \$5.8 million, or \$0.18 per share, and \$5.4 million, or \$0.17 per share, respectively. Net investment income increased period over period, as the decrease in total investment income, which was primarily due to lower other income, was more than offset by a decrease in total expenses, net of credits, primarily due to lower bad debt expense and higher credits from our adviser, Gladstone Management Corporation. The net realized loss for the quarter ended September 30, 2017 was less than \$0.1 million, as compared to net realized gains of \$1.2 million during the quarter ended June 30, 2017. The decrease period over period was primarily due to the exit of one portfolio company in the prior quarter as compared to minimal activity in the current quarter.

Net asset value per common share as of September 30, 2017 increased to \$10.10 compared to \$9.88 as of June 30, 2017. The quarter over quarter increase was primarily due to \$7.8 million of net unrealized appreciation during the period, which was principally due to an increase in the fair value of our investment in Drew Foam, improved performance of certain other portfolio companies, and an increase in comparable multiples used to estimate the fair value of certain portfolio companies, which were partially offset by a decline in performance on certain other portfolio companies.

Subsequent Events: After September 30, 2017, the following significant events occurred:

- **Distributions and Dividends Declared:** In October 2017, our Board of Directors declared the following monthly distributions to common stockholders and monthly dividends to holders of our three series of term preferred stock:

<u>Record Date</u>	<u>Payment Date</u>	<u>Distribution per Common Share</u>	<u>Dividend per Series B Term Preferred Share</u>	<u>Dividend per Series C Term Preferred Share</u>	<u>Dividend per Series D Term Preferred Share</u>

November 20, 2017	November 30, 2017	0.065	0.140625	0.135417	0.13020833
